## DEFENDANT'S MOTION TO DISMISS

Pursuant to Connecticut Practice Book §§ 10-30 and 10-31, Defendant Andre Simonow, appearing self-represented, respectfully moves this Court to dismiss this action for lack of personal jurisdiction and insufficiency of service of process.

### I. INTRODUCTION

Plaintiff alleges that Defendant is presently residing at 125 N. Moodus Road, Moodus, Connecticut.

Defendant denies that allegation.

Defendant is a permanent resident and domiciliary of the State of Florida and has maintained his residence in Florida for many years.

The summons and complaint were allegedly served by abode service at 125 N. Moodus Road, Moodus, Connecticut. Defendant denies that the Moodus property constituted his usual place of abode on the date of service.

Accordingly, service was insufficient to confer personal jurisdiction over Defendant and the Complaint should be dismissed.

## II. FACTUAL BACKGROUND

1. Defendant's permanent residence and domicile are located at:  
4764 Baywood Point Drive South  
Gulfport, Florida 33711
2. Defendant maintains a Florida driver's license listing the Gulfport, Florida address.  
(*Exhibit A*)
3. Defendant has been registered to vote in the State of Florida since at least 2016. (*Exhibit B*)
4. Defendant maintains Florida vehicle registrations listing the Gulfport, Florida address.  
(*Exhibit C*)
5. Defendant maintains active utility services in Florida in his name. (*Exhibit D*)
6. Defendant maintains active electric service at his Gulfport, Florida residence. (*Exhibit E*)
7. In 2022, the Connecticut Judicial Branch issued a Jury Disqualification Notice based upon Defendant's representation that he was not a Connecticut resident. (*Exhibit F*)
8. Defendant served as a juror in Pinellas County, Florida in 2018. (*Exhibit G*)
9. Defendant receives his mail in Florida.
10. Defendant's mailing address and civic ties have been centered in Florida for many years.
11. Defendant does not vote in Connecticut.
12. Defendant does not hold a Connecticut driver's license.
13. Defendant does not maintain Connecticut vehicle registrations.
14. Defendant does not maintain utility accounts in his name at 125 N. Moodus Road.
15. The property located at 125 N. Moodus Road is owned by a trust.
16. Defendant assists in maintaining trust-owned property in Connecticut.
17. Other individuals reside at 125 N. Moodus Road and maintain utility and internet services associated with that property.
18. Defendant has children and grandchildren residing in Connecticut and periodically visits Connecticut for family visits and trust-related property matters.
19. When visiting Connecticut, Defendant stays at various locations, including with family members and at trust-owned properties.
20. Defendant was not personally served in Florida.
21. The marshal's return states that service was made by leaving process at 125 N. Moodus Road as Defendant's alleged usual place of abode.
22. The marshal's return further states that the abode determination was based upon an idiCore database search.
23. Defendant denies that 125 N. Moodus Road constituted his usual place of abode on May 19, 2026.

## **II-A. SUPPORTING EXHIBITS**

In support of this Motion, Defendant relies upon the following exhibits:

Exhibit A – Florida Driver License issued to Defendant listing 4764 Baywood Point Drive South, Gulfport, Florida as Defendant's residence address.

Exhibit B – Florida Voter Registration Card reflecting Defendant's voter registration in Pinellas County, Florida since 2016.

Exhibit C – Florida Vehicle Registration listing Defendant's Gulfport, Florida address.

Exhibit D – City of Gulfport Utility Bill for utility services at 4764 Baywood Point Drive South, Gulfport, Florida.

Exhibit E – Duke Energy Electric Bill for service at 4764 Baywood Point Drive South, Gulfport, Florida during the period surrounding the alleged abode service.

Exhibit F – Connecticut Judicial Branch Jury Disqualification Notice dated August 18, 2022, disqualifying Defendant from Connecticut jury service based upon Defendant's representation that he was not a Connecticut resident.

Exhibit G – Pinellas County, Florida Jury Service Record reflecting Defendant's jury service in Pinellas County, Florida.

Copies of the foregoing exhibits are attached hereto and incorporated herein by reference.

## **III. LEGAL ARGUMENT**

Connecticut Practice Book § 10-30 authorizes dismissal where the Court lacks personal jurisdiction due to insufficient service of process.

Abode service is effective only when process is left at a defendant's usual place of abode.

The objective evidence demonstrates that Defendant's residence, domicile, voting residence, mailing address, driver's license address, vehicle registration address, utility accounts, and ordinary daily affairs have been centered in Florida for many years.

The marshal's return constitutes prima facie evidence of service, but it is not conclusive and may be contradicted by competent evidence. Defendant respectfully submits that the attached governmental records, voter registration records, jury records, vehicle registration records, and utility records establish that Defendant's residence and ordinary affairs were centered in Gulfport, Florida rather than at 125 N. Moodus Road, Moodus, Connecticut.

Defendant's Florida residency is demonstrated by, among other things:

- Florida voter registration dating to at least 2016;
- Florida jury service in 2018;
- Connecticut Judicial Branch jury disqualification records from 2022 based upon Defendant's representation that he was not a Connecticut resident;
- Florida driver's license records;
- Florida vehicle registration records;
- Florida utility records;

While Defendant maintains family ties to Connecticut and periodically visits the state, those facts do not establish that 125 N. Moodus Road was Defendant's usual place of abode on May 19, 2026.

Because service was not made at Defendant's usual place of abode, service was insufficient and this Court lacks personal jurisdiction over Defendant.

#### **IV. REQUEST FOR EVIDENTIARY HEARING**

If the Court determines that factual issues exist concerning Defendant's residence, usual place of abode, service of process, or personal jurisdiction, Defendant respectfully requests an evidentiary hearing.

#### **V. CONCLUSION**

WHEREFORE, Defendant respectfully requests that the Court:

1. Dismiss the Complaint for lack of personal jurisdiction;
2. Dismiss the Complaint for insufficiency of service of process;
3. Grant such other and further relief as the Court deems just and proper.

Respectfully submitted,

## IMPORTANT INFORMATION

SECTION 328.48(4), Florida Statutes, requires that the certificate of registration of each vessel operated, used, or stored on the waters of this state shall be available for inspection on the vessel for which issued whenever such vessel is in operation.

Electronic titles, also called e-titles, are motor vehicle, mobile home, or vessel titles held in electronic form by the department. Electronic titles prove ownership of a motor vehicle, mobile home, or vessel the same way a paper title does. Electronically maintaining the title eliminates the risk of losing the title and eliminates having to pay a fee to obtain a duplicate. An electronic title is also an effective fraud deterrent because potential thieves will not have access to your title. For more information about electronic titles please visit your local tax collector office or visit our website at <https://www.flhsmv.gov/motor-vehicles-tags-titles/electronic-lien-titles/>.

Sold your vehicle, mobile home or vessel? For your own protection, you are required by law to transfer the title and notify the Department of Highway Safety and Motor Vehicles (DHSMV) within 30 days if you sell, donate or dispose of any motor vehicle or vessel. If you do not you could be legally responsible. Either go into a tax collector office or license plate agent with the new owner to transfer the title or go online to <https://www.flhsmv.gov/pdf/forms/82050.pdf> and download the Notice of Sale form. Fill it out, sign it and take it to the tax collector office or license plate agent for processing.

## Important to know

### Your next meter reading on or after: Jul 8

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

### Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

### Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

### When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

### Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

### Medical Essential Program

Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit duke-energy.com/home/billing/special-assistance/medically-essential.

### Special Needs Customers

Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

### Para nuestros clientes que hablan Español

Representantes bilingües están disponibles para asistirle de lunes a viernes de 7 a.m. - 7 p.m. Para obtener más información o reportar problemas con su servicio eléctrico, favor de llamar al 800.700.8744.
